Dated: 16-04-2024

Report of Extension Lecture on the theme “Navigating a Career in Research: Opportunities and Challenges” organized by Career Counseling Cell (CCC) of HKM GDC Eidgah, Srinagar.

As part of its ongoing commitment to foster the academic excellence and career development for the students, Career Counseling Cell (CCC) of HKM GDC Eidgah today on 16-04-2024 hosted an extension lecture on the theme “**Navigating a Career in Research: Opportunities and Challenges**”. The program was organized in the smart classroom of the College at 11:15 AM sharp.

At the outset, Prof. Zakir Hussain Naik, Coordinator Career Counseling Cell presented the welcome address and highlighted that the objectives of organizing this extension lecture is to provide a valuable insights into the dynamic field of research and its diverse career opportunities.

Dr. Gowhar Mehraj, JSPS International Researcher, Department of Ecosystem Studies, Graduate School of Agriculture and Life Sciences, University of Tokyo, Yayoi campus, Japan, was resource person on the occasion. In his extensive talk lecture, he throws light on the multifaceted landscape of research careers, addressing both the challenges and the abundant opportunities available to aspiring researchers. The participants were given the comprehensive understanding of various research domains, emerging trends, and the skills required to excel in this competitive field. The event featured engaging discussions considering a career in academia and research. The lecture provided a valuable insight to help and shape their future career prospects.

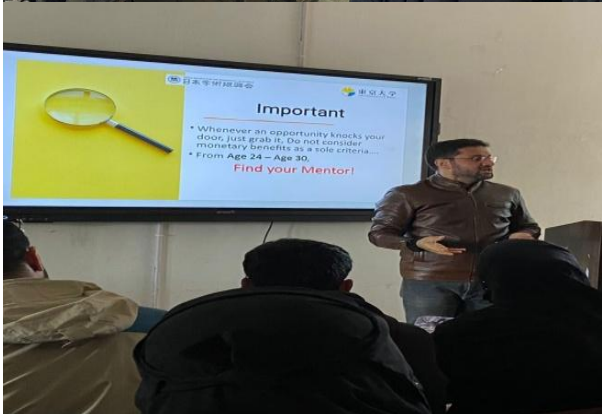

Esteemed Principal of the College, **Prof. (Dr.) Nighat Nasreen** in her address said that in today’s rapidly evolving world, research plays a pivotal role in driving innovation and addressing global challenges. Research helps to empower our students with the knowledge and resources they need to pursue for choosing their careers in research.
